F&B MANAWATŪ JUNE 2018 MONTHLY TALK

Tuesday, 12th June, 2018 @ 7.30 p.m.

Palmerston North City Library, George Street, Palmerston North

“Wetlands birds of New Zealand”

Photo supplied

Speaker: Dr Phil Battley, Associate Professor in Zoology,
Wildlife & Ecology Group, Massey University

This is the third talk and last talk in the series about Wetlands.

Wetlands are host to a suite of distinctive and charismatic bird species in New Zealand, but ones that are often hard to find, and sometimes harder yet to see. In this talk we will explore the diversity and biology of wetland birds in the Manawatu and across New Zealand
