

# MANAWATŪ BRANCH

## SEPTEMBER 2018 MONTHLY MEETING

**Tuesday 11<sup>th</sup> September, 2018 @ 7.30 p.m.**

Palmerston North City Library,  
George Street Entrance, Palmerston North

**TALK: “Predator Free Palmerston North?”**

**Speaker:** Adam Jarvis, PNCC Policy Analyst (Environmental Sustainability)

In 2016, the previous government announced its ambition for a ‘Predator Free New Zealand’ by 2050. We’ve since heard of plans for a Predator Free Wellington, Waiheke, Taranaki and Auckland Islands.

This year, the government significantly increased funding for DoC. The project remains a ‘moon shot’, but we’ve built up significant momentum.

How might Palmerston North contribute? Hear about what’s already underway, and Council’s plans to partner with the community to create a single integrated network of control from the Tararua Ranges to the Manawatū River.
